The Mount Kisco Chamber of Commerce is a 45 year old, 150 member association of Business, Professional and Civic minded individuals who work to support community progress. The MKCC acts as a voice for the business community in local business and Mt. Kisco Village affairs and is a clearinghouse for business referrals and community information.

We sponsor a variety of community events in town such as Citizen of the Year Award Dinner Dance, Holiday Tree Lighting Festival, and of course, our very successful Sales Days which is a great weekend street sale in September bringing thousands of people into the Mt. Kisco area. There are numerous other activities to get involved with which will help to promote your business to residents and businesses in our area.

Membership fees are based on the number of employees. Membership advantages include a members only health insurance program endorsed by the Chamber, a free Web site listing with a link to your site; the opportunity to advertise in our direct mailers which are sent to all residents and businesses in the 10549 zip code, (a 7000 count distribution) and our monthly newsletter, (a 250 count distribution to businesses in our area); informative monthly meetings with networking opportunities; business referral potential; and inclusion in promotional materials such as our annual publication of LifeStyles Magazine, which is distributed to over 25,000 businesses and residences each year. This magazine highlights all of our Chamber Members in addition to ads placed personally by our members.
